## iQ<sup>2</sup> Nasal Mask

### Your mask, your fit

The iQ<sup>2</sup> Nasal Mask can be shaped to each individual face, giving the user the ability to adjust for unique night-to-night variations. The mask also accommodates users with larger facial structures. The iQ<sup>2</sup> and Phantom<sup>2</sup> cushions are interchangeable using the same mask frame and headgear. Readily available for resupply.

#### 45° Venting System

Sleepnet's 45-degree venting system is designed to direct air away from the face, and not toward the user or onto their skin during exhalation.

#### Custom Fit Technology

Sleepnet's Custom Fit Technology is our proprietary technology made from a flexible, pliable material that responds to gentle manipulation and accommodates changes in weight and facial asymmetry.

#### AIR<sup>o</sup>gel<sup>®</sup>

Sleepnet's AIR<sup>o</sup>gel<sup>®</sup> is an advanced cushion technology that conforms to the contours of each individual face creating a secure and comfortable seal.

#### 360° Rotating Swivel

Designed to provide greater flexibility and enhance comfort, the 360-degree rotating swivel adjusts to the wearer's natural head movement, allowing them to move freely in any direction during sleep.

#### One Size Cushion

Larger fitting range.

#### Easy-Release Magnetic Clips

Our magnetic clips are designed to simplify the process of attaching and detaching the mask from the headgear.

#### Replaceable Cushion

Our replaceable cushions can be removed and cleaned, helping to maintain better hygiene and mask performance.

**Available for Resupply**

## What makes our iQ<sup>®</sup>2 different

**Comfort** - Sleepnet's AIR<sup>°</sup>gel<sup>®</sup> is a leading edge innovation developed and designed to enhance the comfort and effectiveness of our respiratory masks.

**Personalized fit** - Custom Fit Technology allows the user to easily shape the mask by gently bending and molding it along the sides, top, and bottom to provide a consistent and secure fit.

**Lightweight** - Our masks are made from lightweight materials, designed to provide support and structure while ensuring durability and comfort.

**Clear Field of Vision** - The iQ<sup>®</sup>2 and Phantom<sup>®</sup>2 masks are designed to offer a Clear Field of Vision giving the user the ability to watch television, read, or wear glasses while the mask stays comfortably in place.

The iQ<sup>®</sup>2 and Phantom<sup>®</sup>2 cushions are interchangeable while using the same mask frame and headgear.
